

A pixel art illustration of a cherry blossom scene. Two large, dark brown tree trunks with thick, gnarled bark extend from the bottom corners towards the center. Their branches are covered in dense, light pink and white pixelated blossoms. Several small, five-petaled pink flowers with yellow centers float in the air. In the center, the word "SAKURA" is written in a white, pixelated, all-caps font with a red outline. Below the text is a small, rectangular floating island with a green grassy top and a brown base. The bottom of the image features a blue, wavy line representing water.
